

VENT FREE GAS FIREPLACE INSERT - 600MM (DROP IN)

R6,150.00

GAS PEBBLE 600 - STAINLESS STEEL VENT FREE GAS FIREPLACE INSERT.

VENT FREE GAS FIREPLACE INSERT - 600MM (DROP IN)

A modern looking , clean burning, recessed gas fireplace in *brushed* stainless steel finish to heat up your home efficiently. This fireplace can be built into almost any surrounding and does not require a chimney flue - a perfect solution for the modern day open plan living area. Low gas consumption and environmentally friendly. Vermiculite and White pebble stone are used to complete the look. The fireplace comes standard with a manual ignition control. **Minimum 9kg** bottle of LPG gas required (not included).

Product Safety

The fireplace has a built in flame failure safety mechanism to shut off Oxygen supply in the even of a strong draft. The unit is approved by LPGSA. Not suitable for bedroom or bathroom installations.

Standard unit includes

- Stainless Steel gas grate
- Vermiculite
- White Pebble Stone
- Operating manual
